Home Fragrance by Floriette

A home fragrance collection with character, where scent and styling come together.

A fragrance line that not only smells wonderful, but also looks beautiful. Designed to be experienced and to be seen. This collection blends effortlessly into stylish retail concepts and naturally adds atmosphere to any assortment.

Each fragrance has its own character, yet they share the same foundation: soft, stylish and timeless. Developed to subtly fill a space with atmosphere – without overpowering it.

Ready to add fragrance to your assortment? Discover which scent best matches your store concept and request fragrance testers via info@floriette.nl.
